# Pigtail

Technical Data Sheet

SC/APC pigtail simplex SM G657A1 2.0*3 mm LSZH & SC/APC fast connector SC/APC connector adopts A grade ferrule and 8 angle polishing method as the end face of the APC connector.

Features

- Low Insertion loss and Return loss
- Good repeatability, Good changeability ,Good temperature stabilization
- High reliability and Precision alignment
- Quick Installation

Applications

- can be widely used for FTTX
- Passive Optical Network (OPN)
- Cable TV Network (CATV)
